

**PRODUCTS FOR
BETTER HEALTH
& GROWTH.**

About Us

Nameer Remedy LLP is a leading pharmaceutical company working to advance safe and efficient natural treatments. Our story begins with the goal of contributing to a healthy, affordable food supply by helping farmers responsibly care for their animals. With determination and integrity, we have grown into a global company. Our team values the trust placed in our products and our people.

Our broad portfolio of products, backed by manufacturing, innovative research, and exceptional service, is the core of our partnerships with farmers, ranchers, and veterinarians. With a growing line of natural, sustainable produced products, we offer responsible solutions to help support the health of all animal species, including cattle, poultry, and aquaculture.

Our Core Values

Respect

Honesty & Integrity

Commitment

Innovation

Team Work

Our Vision

The present era is facing the challenge of emerging and re-emerging diseases as well as antibiotic resistance. Resistance is developing among microbes against common and widely used drugs. This has led the scientists to develop newer and effective combinations of allopathic medicines and also to reconsider the age-old practices of Ayurveda which have given effective results to date. The Nameer Remedy LLP, Himmatnagar envisions continuous production and unstoppable supply of newer allopathic and ethno veterinary (herbal) preparations for the treatment of ailing animals to reduce the chances of antibiotic resistance, to deliver desired results at grass root levels, and to make the herbal preparations available at an affordable price for the sustainable veterinary healthcare industry in future.

Our Mission

The Nameer Remedy LLP is an authorized distributor of allopathic and ayurvedic/herbal ethnoveterinary preparations in the state of Gujarat. It thrives with a mission to lead the path in the development of research-based effective allopathic and herbal preparations to deliver concrete results in the veterinary healthcare sector of the state. Our technical experts are constantly monitoring the proper growth and maintenance of herbal plants at our herbal nursery and are regularly collaborating for research activities to evaluate the effectiveness of our preparations to be supplied globally. The allopathic products are also subjected to sufficient laboratory and clinical trials before providing to the veterinary society. The Nameer Remedy LLP, aims to lead the path in research, development, preparation, and steady supply chain of ethno veterinary medicines for the animal healthcare industry throughout the world. It also has a mission to develop and distribute research-based and effective newer combinations of allopathic medicines which can be used cost-effectively by the veterinarians in their day-to-day practice.

Our Product

N-IONIC

THE ULTIMATE
ANIONIC MIXTURE
FOR PREGNANT ANIMAL

COMPOSITION:

Unique Anhydrous Anion mixture with enriched potent herbs to optimize the calcium and phosphorous.

- Udder development.
- Create temporary metabolic acidosis in body which helps in utilization of calcium from animal body.
- Reduce the chances of metabolic disorder like milk fever, ROP, lactation tetany etc.
- Helps in smooth calving.
- To increase and maintain the milk production.

DIRECTION FOR USE:

Feeding of N-IONIC 100gm daily
50gm Morning and 50gm Evening before parturition.

MARHAM

HERBOMINERAL NUTRITIONAL
SUPPLEMENT
FOR MASTITIS
MANAGEMENT

COMPOSITION:

Each 50g Sachet Provides Nutrition Of:

Tri Sodium Citrate	25 gm
Serratiopeptidase	120 mg
Vitamin A	50,000 I.U.
Vitamin D ₃	10,000 I.U.
Selenium	5 mg
Vitamin E	3000 I.U.
Potassium Iodide	1000 mg
Niacin	50 mg
Chelated Zinc	1000 mg
Chelated Copper	400 mg
Magnesium Sulphate	2000 mg
Vitamin H	20 mg
Organic Chromium	150 mg
Live Yeast Extract	50 Million CFU

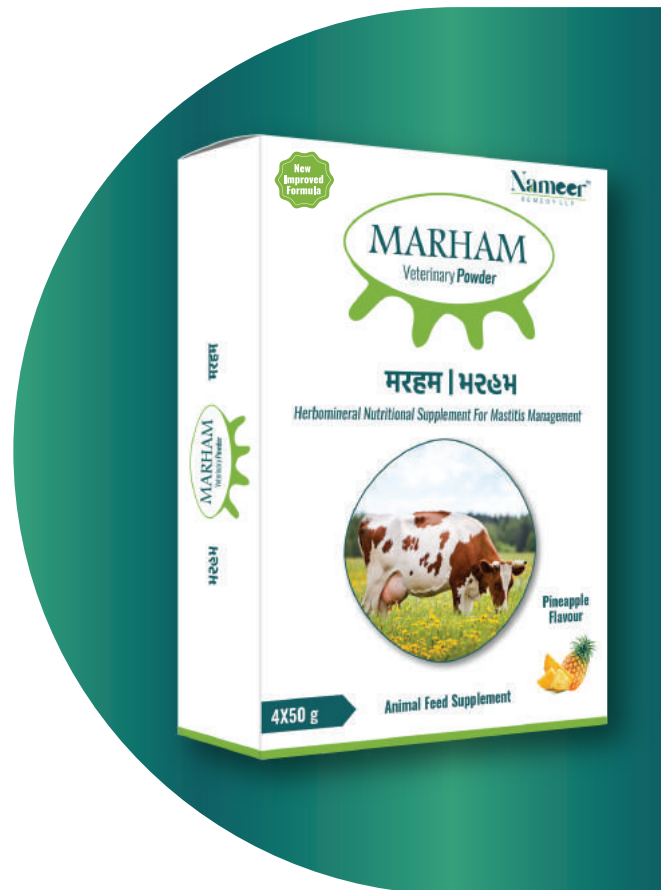

With enriched potent herbs which increase immunity of udder and maintain growth of alveoli.

INDICATIONS:

- Helps to maintain pH of milk and udder tissue.
- Helps to prevent mastitis and to improve immunity against mastitis.
- Reduce clinical status/progression phase of mastitis.
- Helps to regenerate dead tissues in gangrenous mastitis (Clinical stage).
- Reduces somatic cell count (SCC) in milk.

DIRECTION FOR USE:

1 pouch (50 g) of Marham Powder daily for 4 consecutive days mixing with Jaggery or as directed by the Veterinarian.

Nutreza

NUTREZA BOLUS IS A UNIQUE BLEND OF **GLYCINE CHELATED** TRACE MINERALS, VITAMINS & HERBS TO TREAT ANOESTRUS AND REPEAT BREEDING

COMPONENTS & ROLE

Zinc	1140 mg	Increase Immunity, Improve conception rate & embryonic development
Copper	380 mg	Increase fertility, regulate the estrus cycle & improve conception rate
Manganese	500 mg	Reduce reproductive abnormality & increase fertility
Selenium	3 mg	Prevent ovarian cysts
Cobalt	60 mg	Regulate estrus cycle and synthesis of Vitamin B ₁₂ & development of fetus
Iodine	150 mg	Fetus development, increase fertility & decrease abortion
Chromium	40 mg	Maintain estrous cycle & LH release which triggers the ovulation
Iron	250 mg	Improve hemoglobin level
Vitamin A	40,000 IU	Increase immunity and fertility
Vitamin D ₃	8000 IU	Absorption of Calcium and Phosphorus
Vitamin E	450 IU	Anti-oxidant
S A P	600 mg	Treat metabolic disorders
Live Yeast	100 mg	Stimulate rumen microflora for better digestion

Enriched With Potent Herbs to Improve Reproductive efficiency and Conception rate in Dairy Animals.

INDICATIONS:

- Supports development of ovaries and Follicles
- Helps in timely ovulation
- Improve fertilization and reproductive efficiency
- Reduces the Ovarian Cysts
- Improve conception rate in repeat breeder
- Improve general health and productivity

RECOMMENDATION:

- Cattle & Buffalo : 1-2 bolus per day
- Sheep & Goat : ½-1 bolus per day
Or As directed by veterinarian

CALMEER-DS

CALCIUM SUSPENSION WITH
LIVER EXTRACT & GLUCONEOGENIC
PRECURSOR FOR ANIMAL FEEDING

Nutritional Value Per 1000 ml.

Calcium	55,000 mg
Magnesium	21,000 mg
Phosphorus	27,500 mg
Zinc MHA	2000 mg
Copper MHA	5000 mg
Cobalt	100 mg
Potassium Iodide	100 mg
Methionine	10 gm
Liver Extract	20,000 mg
Carbohydrates	180,000 mg
Vitamin A	45,000 IU
Vitamin B ₁₂	100 mcg
Vitamin D ₃	800,000 IU
Vitamin H	20 mg

Enriched With Potent Herbs to Improve Milk yield, Milk Fat & SNF %

DOSAGE & ADMINISTRATION:

Cattle & Buffalo: 100 ml per day

Sheep & Goat: 25 ml per day

Or As directed by veterinarian

CALMEER-DS HELPS IN:

- Improving Milk yield, Milk Fat & SNF %
- Reducing Somatic cell count in milk
- Formation of Strong bones in growing animals
- Improving Immunity & Udder Health
- Maintaining overall Health and Productivity

PACKING AVAILABLE:

1liter, 2.5liter, 5liter

VETOHEAL BOLUS

HERBOMINERAL NUTRITIONAL
FEED SUPPLEMENT FOR ALL TYPES
OF WOUND MANAGEMENT

Each Bolus Contains:

Unique Blend of Glycine chelated zinc, Biotin, Serratiopeptidase, Glycine, Methionine, Lysine, Arginine, Vitamin AD₃ & E, Vitamin B₁₂, Vitamin C, Aloevera, Excipients q.s.

DOSAGE:

Large Animals : 1-2 bolus per day.
Small Animals : ½-1 bolus per day.
Or As directed by veterinarian

INDICATIONS:

- Soft Tissue Injury, Parasitic Wound, Fibrosis, Foot Rot, Surgical Wound
- Helps in fast recovery from generalized skin lesions like FMD, LSD, Pox
- Inflammatory conditions like Mastitis & Metritis

STRIP AVAILABLE:

- 10 X 4 BOLUS

NUTRIMEC-12 SYRUP

MECOBALAMIN, VITAMINS
& MINERAL SYRUP

EACH 15 ML CONTAINS:

Mecobalamin ip	1500 mcg
Vitamin B ₁	5 mg
Vitamin B ₂	5 mg
Vitamin B ₆	3 mg
L-Lysine	50 mg
Potassium Iodide	70 mcg
Zinc	10 mg
Selenium	35 mcg
Chromium	30 mcg
Iron	21 mg
Folic Acid	2 mg
Biotin	450 mcg
Niacinamide	50 mg
D-Panthenol	7.5 mg
Choline Chloride	50mg

Appropriate overages of vitamins are added.

Enriched with potent herbs to prevent anxiety and stress.

DOSAGE:

Large Animals : 50-100 ml daily

Small Animals : 20ml daily

Poultry : 10-15 ml / 100 birds

Or As directed by veterinarian

INDICATIONS:

- ◆ Weakness & debility
- ◆ Recovery from chronic illness (convalescence)
- ◆ For the management of improper gait
- ◆ Lameness

PACKING AVAILABLE:

500 ml

LIVKERA SYRUP

THE NATURAL KEY OF
HEALTHY LIVER

EACH 10 ML CONTAINS EXTRACTS DERIVED FROM:

Bhuiamla	W.plant	700 mg
Kalmegh	W.plant	200 mg
Bhringraj	W.plant	750 mg
Sharpunkha	W.plant	150 mg
Rohitak	Bark	200 mg
Daru haldi	Stem	150 mg
Vidang	Fruit	150 mg
Balbeej	Seed	150 mg
Katuki	Rhizome	100 mg
Lindipiper	Fruit	40 mg
Punarnava	Root	300 mg
Makoi	W.plant	70 mg
Mari	Fruit	40 mg
Gud		200 mg
Syrup Base		q.s

Ref.: * API # Bhava Prakasha

Other ingredients: Methylparaben, Propylparaben,
Sodium Benzote

DOSAGE:

Large Animals : 50-100 ml daily
Small Animals : 20ml daily
Poultry : 10-15 ml / 100 birds
Or As directed by veterinarian

INDICATIONS:

- ◆ Loss of Appetite/Anorexia
- ◆ Liver Dysfunctioning
- ◆ Adjuvant with treatment of Ketosis
- ◆ Fatty Liver

BENEFITS:

- ◆ Optimises the utilisation of feed ingredients
- ◆ Helps to protect liver from contaminants & enhances immunity & overall health
- ◆ As an adjuvant after antimicrobial, anthelmintic & anti-haemoprotozoan treatment

PACKING AVAILABLE:

500 ml, 1liter

LIVKERA PET SYRUP

THE NATURAL KEY OF
HEALTHY LIVER

EACH 10 ML CONTAINS EXTRACTS DERIVED FROM:

Bhuiamla	W.plant	700 mg
Kalmegh	W.plant	200 mg
Bhringraj	W.plant	750 mg
Sharpunkha	W.plant	150 mg
Rohitak	Bark	200 mg
Daru haldi	Stem	150 mg
Vidang	Fruit	150 mg
Balbeej	Seed	150 mg
Katuki	Rhizome	100 mg
Lindipiper	Fruit	40 mg
Punarnava	Root	300 mg
Makoi	W.plant	70 mg
Mari	Fruit	40 mg
Gud		200 mg
Syrup Base		q.s

Ref.: * API # Bhava Prakasha

Other ingredients: Methylparaben, Propylparaben,
